## SOME OF OUR PAST PARTICIPANTS

## AN IDEAL LOCATION FOR A PROFILIC EVENT

India, being strategically located between South East Asia and Middle East, is one of the largest player in textile & apparel manufacturing and trade. It is also the destination for future growth and investment in textile & apparel industry. Within India, Gujarat is the epitome of success when it comes to economic development and industrialisation. The growth and development of its textile sector is even more deep rooted. Ahmedabad, which was known as the 'Manchester of the East' in the past for its booming textile industry, is today a well-developed business hub & financial centre. Thus, **IGMACH India 2024 will be held in capital city of Gandhinagar at The Helipad Exhibition Centre, Helipad Ground, Sector-17, from 21 to 24 February 2024.**

The Helipad Exhibition Centre is so far the largest venue in India and holds the pride of hosting most reputed and largest trade shows of the country. The venue has been designed with advanced technology and amenities to facilitate business meets, convention, conferences & exhibitions of both national and international levels.

## BEYOND EXHIBITIONS CREATING BUSINESS PLATFORMS

Founded in 1997 with humble means and great ambitions, K AND D COMMUNICATION LIMITED (KDCL) is today proud to provide turnkey solutions for events. A pioneer in the event management industry in India, over a span of last 25 years, KDCL has organized 75+ national and international exhibitions all across India in different industrial segments. KDCL is most renowned for ENGIMACH - one of India's most successful international exhibitions in the engineering machinery sector for the last 25 years.

While all patrons are highly valued, KDCL particularly prizes the trust of companies launching new ideas, products, and services. These companies rely on KDCL exhibitions for the successful introduction of their innovations. Over the last 25 years, many such pioneering companies have grown together with KDCL.

To fill the void that existed in Gujarat, of a world-class infrastructure for exhibitions, KDCL developed the Helipad Exhibition Centre (HEC) in Gandhinagar, the capital of Gujarat. HEC is the largest exhibition centre in Gujarat.

KDCL is now focused on making the most of the next 25 years, as it marches, along with the rest of India, towards 2047 when India will celebrate the centenary of its Independence and KDCL will celebrate the completion of 50 eventful years! In tandem with the growing International stature of India, KDCL also aims to grow to become a reputed international organizer of events across the world.
